LETTER OF COUNSELING/ACCOUNTABILITY

Dear _____ It is the goal of Saints Of Value Ministries that its

Members, Pastors Evangelist and Staff be examples to the public and the body of Christ by maintaining CHRISTIAN CHARACTER and moral conduct at all times,. We have an obligation to be of good character and to have unity with one another; we are to be accountable to God and to each other. The purpose of this letter is to ensure that all members understand our role as Ministers of the Gospel of Jesus Christ, which is the following:

The Saints Of Value Pastors, Ministers and Staff must support and comply with all bylaws, directions and regulations given by the Executive Head and the Governing Board, and that no one who is a licensed or ordained minister is authorized to deviated or change the directions or regulations given unless authorized by the Executive Head of Saints Of Value Ministries.

If there is a complaint of incident against any member of Saints Of Value Ministries, that complaint (if determined to be proven by the governing board selected) will be submitted to the Chief Executive Head who will set a scheduled meeting with the Minister/Pastor or Staff member of Saints Of Value Ministries. Which includes the governing board to be present, When an alleged complaint is reported to determine Christian Character (examples: criminal conduct, immoral activity and misappropriation of funds, etc..) that member will be issued a letter of Counseling /Accountability.

If necessary, after the member is given the letter of Counseling/Accountability the governing board (by the authorization of the Executive Head or the Designee appointed by the Executive Head) will determine what type of action to be taken which could result in the following:

- A. The incident was determined to be unfounded
- B. A recommendation of a six month Probation
- C. Submitting the incident to the Executive Board for further action

Every Pastor, Minister and Staff member will be held accountable for our actions we are also accountable to our brothers and sisters in ministry including accountability to the public we serve, Galatians 6:1. The Letter of Counseling/Accountability is not submitted as punishment, however, if a member does not comply with maintaining Christian Character as a licensed/Ordained Pastor, Minister of Staff Member, further action could be taken which would result in revoking of License or dismissal.
